Dear Mr Zanardi:

Re: 5-Year Membership Review Approval

As you know, the OIA requires all members to participate in a membership review process every five years “to ensure consistency with membership requirements and standards” (Policy & Procedures Manual, Section II, Part k). At the Board of Director’s midyear meeting this past weekend, **the Membership committee recommended approval of the EIOM’s 5 year review and the Board of Directors approved it.**

Thank you again for your participation in this review process and please do not hesitate to contact the OIA Secretariat at OIA@osteopathic.org with any questions or concerns.

Sincerely,

Dr Jane Carreiro
Chair, Board of Directors

Dr William Burke
Chair, Membership Committee
